

VISION - WHAT WE BELIEVE ABOUT GOD & WORSHIP

Worship is a public conversation between God and us. He speaks to us and we respond to him in listening, thanks, praise and the giving of ourselves.

With our human voices, and often with musical accompaniment we build one another up with "psalms, hymns, and spiritual songs". (*Ephesians 5:19, Colossians 3:16*).

We believe that we are stewards of God's transforming power and that He works through us to change people's lives, giving us all hope and new life.

We sing and play to bear witness to Jesus Christ and as a natural outworking of the life we have in Him. Our priority is to help the community to sing their faith.

We are called to use our gifts in His local community of faith for the good of all with whom we share this journey of faith.

COMMITMENT EXPECTATIONS

Committed to Jesus

We ask all those involved in music ministry to be followers of Jesus, behave in a way that is consistent with the message of Jesus, or be respectful of the vision and purpose of music in worship.

Committed to serving St Petri

We encourage those involved in music ministry to be committed to the vision and purpose of worship at St Petri. What this looks like:

- Participation in the worship community as often as possible
- Participation in St Petri community activities and learning opportunities
- Share music with the community in a spirit of selflessness and servanthood
- To aim for excellence (not perfection) we encourage private practise and preparation before band rehearsals
- Timely and committed participation in band rehearsals and sound checks
- Participation in training and social fellowship called 'All In's' and other opportunities
- Be aware of and listen to a wide range of Christian music and artists
